The attention of the Daily Worker sive" American imperialism. If propaganda are the notions that on the will of the capitalist class is always at the heart of this sort

> Browderium, the theory of the "progressive" nature of American But it's the disruptive activities that do not cease thereby. On the contrary, it is dedicated now to disrupt the working class party from within by every possible means.

One of these underhanded methods is the distribution of anonymous and distorted literature.

Mambers of the Communist Party will see in this anonymous kind of "underground" Browderite work within the party the hand of the class enemy and treat it as such.
