[EROL Note:The Political Report, given by Mike Baker , at the founding of the MLOB, made reference to the success of the Chinese Revolution and in a separate article explained that the Great Chinese Proletarian Cultural Revolution had become a target of slander "because they see in its triumph the failure of their dreams to turn China along the capitalist road! Because they fear, and with good reason, that the Marxist-Leninist and masses in their countries will seize the weapon of Mao Tse-tung's thought" and the Cultural Revolution to apply in their own struggles.]

Extract from Political Report:

Comrade Baker described People's China as a mighty arsenal and revolutionary base for the mighty national liberation struggles of Asia, Africa and Latin America, which form the principal aspect of the contemporary third phase of the general crisis of capitalism. In opposition, the U.S. imperialists and their revisionist allies evolved a strategy of striving for world domination, of bringing the capitalist world under US domination, of restoring capitalism in the 'socialist camp'. The fundamental aim of this strategy was to destroy People's China as the bastion of the world proletarian revolution, to defeat the national liberation struggles and prolong the life of capitalism by bringing about capitalist development in the under-developed areas.

"BUT THE UNATTAINABILITY OF THESE WORKLD AIMS IS PROVED BY THE FACT THAT THEY PRODUCE ABOVE ALL THE FORCES WHICH WILL DIG THE GRAVE OF IMPERIALISM. THE HEROISM OF THE VIETNAMESE PEOPLE-A HEROSIM WITHOUT PRECEDENT IN THE LONG HISTORY OF REVOLUTION, JUST WARS AND CLASS STRUGGLE - ALONE PROVES IT. U.S. IMPERIALIST AGGRESSION PROMOTES AND INSPIRES NATIONAL LIBERATION STRUGGLES, JUST AS REVISIONIST BETRAYAL PROMOTES THE EMERGENCE OF BATTLE-STEELLED VANGUARD PARTIES TO MAN THE LEADERSHIP OF THE WORLD REVOLUTIONARY MOVEMENT.

SOME QUOTATIONS FROM CHAIRMAN MAO TSE-TUNG
"The people, and the people alone, are the motive force in the making of world history."
"Who are our enemies? Who are our friends? This is a question of the first importance for the revolution."
If there is to be a revolution, there must be a revolutionary party, without a revolutionary party, without a vanguard party in the Marxist sense...
