TO ALL ORGANIZERS AND FINANCIAL DIRECTORS

Dear Comrades,

The National Executive Committee has voted to conduct a fall fund drive with a national goal of \$35,000 to extend from September 17, 1974 to December 28, 1974, a total of just over 14 weeks. The proposed local quotas and at-large goal are attached.

Careful planning went into all the proposed quotas with the size of the local being the primary consideration. The local's past fund drive performance, among other factors, was also taken into account. Locals should bring an initial fall fund drive budget to Oberlin so we can discuss how the proposed goals can be achieved.

A full explanation of the goals of the fall fund drive is contained in the Financial Report approved by the July National Committee plenum. A copy of this report was recently sent to all locals.

Comradely,

Delfine Welch
