FOR IMMEDIATE ATTENTION AND ACTION

TO ALL ORGANIZERS

Dear [Organizer's name]:

The Los Angeles local is sending each branch copies of an article that appeared in the March 21 Los Angeles Free Press. In this article, Joe Tommasi, head of the Nazi Liberation Front, boasts that his outfit bombed the L.A. SWP headquarters and the Rosenberg meeting held in Los Angeles. He also boasts that, "We know the cops aren't interested if we bomb the Left."

We should show this article to everyone who came to our defense when the bombing occurred, and others who we feel would take a stand against the Nazi terrorism. We should urge such people to once again send telegrams of protest to Mayor Bradley in Los Angeles, demanding that Tommasi and his Nazi gang be immediately arrested. Copies of these telegrams should be sent to the Los Angeles Central-East hall. Enough evidence had already been accumulated indicating that the Nazi Liberation Front was responsible for the bombings before the Free Press article -- now there is a public confession of guilt coupled with the boast that the cops will do nothing to stop the Nazi criminals. However, the Los Angeles city administration from the mayor on down have refused to take any action against these scum.

We must move immediately to build up the biggest clamor directed to Mayor Bradley that we can, for we cannot afford to allow anyone to carry out a murderous attack upon us and then publicly boast he can get away with it, without doing out utmost to stop him.

Comradely,

Barry Sheppard
