Comrades:

We understand that your National Committee will be holding a plenum on May 3-4. As you know, a representative of the SWP attended the Central Committee meeting of the Revolutionary Marxist Group last Christmas and an invitation was extended to you to send fraternal delegates to the RMG convention which took place at the end of March. Consistent with the lateness with which we extended our invitation to you to attend our convention, we request the opportunity to send a representative to your National Committee meeting.

Should our request meet with your agreement, please inform us by special delivery mail, or by phone, since the current militancy within the Canadian postal unions tends to slow down delivery.

Fraternally,

Keene
