TO ALL NATIONAL COMMITTEE MEMBERS AND ORGANIZERS

Dear Comrades,

As advertised in the Militant, there will be a public protest meeting against FBI harassment at 7:30 PM at the New York Society for Ethical Culture, 2 West 64 St. (near 5th Avenue), on Wednesday, April 29. This meeting is sponsored by PRDF and will include such speakers as: Leonard Boudin; James Peck of the War Resisters League, who was beaten during the civil rights movement; Nancy Borman, co-publisher of Majority Report; Frank Donner, Director of the ACLU Project on Government Surveillance; Jimmie Durham of the International Indian Treaty Council, United Nations; Peter Camejo; and others.

Most New York SWP members will be at this meeting on Wednesday, the night when most out-of-town National Committee members and organizers will arrive for the plenum. If you are planning to stay with New York comrades you may want to arrange your travel so as to arrive early enough to attend the meeting or late enough to ensure that the person you are staying with will be home.

Comradely,

Diane Rupp
