Bolshevik Faction,  
Madrid

---

Dear Comrades,

At the November 6-9 meeting of the United Secretariat, comrades of the IMG, British section of the Fourth International, brought to the attention of the United Secretariat that the IMG leadership had sent a letter to the Bolshevik Faction requesting an explanation of the Faction's relationships with the Workers Socialist League in Britain. They stated that the Bolshevik Faction's relations with the WSL had not been conducted in consultation with the leadership of the British section.

In response to this information, the United Secretariat adopted the following motion unanimously :

"The United Secretariat requests that the Bolshevik Faction respond to the letter from the IMG and decides to place this question on the agenda of the next United Secretariat meeting."

Could you please send us a copy of your reply to the letter of the IMG, or, if you never received it, please notify the IMG leadership of that fact.

We received a message by telephone from a member of the BF, informing us that Comrade Greco was unable, due to other commitments, to participate in the scheduled meeting of the parity commission for preparation of the world congress. Could you propose another date ?

Comradely,

Susan,  
For the United Secretariat Bureau
