UAW Youth Conference - Sally R. reported on YSA's plans to participate in Region 1 UAW youth conference to be held November 10-11 in Detroit. There is discussion in union about setting up permanent youth standing committees. Fraser will give keynote address. Committees to prepare for the conference have been set up in some locals we participate in and have discussed resolutions on a broad range of political issues such as busing and nuclear power. "88 Close the Gate!" film was shown at one meeting. YSA autoworkers in region will be encouraged to attend.
