

Organization Committee Meeting No. 37, December 20, 1979

Present: Doug, Dave, Maceo, Olga, Peter

1. January 13 LERN
(Guest: Joel)

Andrea reported. There were at least three building actions including in the Tidewater area the week of December 2-9. January 13 will have broader industrial union participation than the last LERN action two years ago. So far no national break into media. Jerry Gordon is planning a national press conference January 3.

Agreed to mobilize party from New York/Northern New Jersey south to Atlanta and west to Pittsburgh. This includes participation from West Street. Propose that West Street department heads report this to their staffs. Agreed nationally assigned comrades pay their own transportation. Bus tickets from New York are \$20 to \$25.

2. Circulation

(Guests: Andy, Harvey, Joel, Rick, Richie A. Mary Lou, Jerry)

Peter reported. Agreed to propose to PC/DOs to have spring sub drive starting sometime in March. Drive to last 6-7 weeks. Proposed goal of 5,000-8,000. Do more campus and door-to-door subscription circulation than we have in recent past period.

3. Personnel

Maceo reported. Agreed on type of report to be presented to District Organizers to help fill personnel needs and discussions at YSA convention.

Meeting adjourned.
