TWIN CITIES

David Keil

Dear Dave,

Thank you for your letter concerning Franco. We spent some time with him following the Brussels conference and he seemed to be a very fine comrade.

I notice in your second paragraph that you quote the phrase "one time Franco expressed his opinions about Ho Chi-Minh, and condemned him as Stalinist and a murderer of Trotskyists in Vietnam." Would you please send me a copy of the letter in which you received this information so we can pursue the matter.

Comradely,

s/Jack Barnes
Organization Secretary
