Dear Friends,

Enclosed is the first issue of the "Afro-Americans for Halstead and Boutelle Newsletter." It is being sent free to all 600 Afro-American endorsers of the SWP campaign.

We hope this Newsletter will come out about once a month. It is intended as an instrument for tying together Afro-American supporters of Halstead and Boutelle across the country and for attracting more supporters by letting them know what kinds of activities we are carrying on.

The Newsletter has a price of 10¢ on it, and can be sold on literature tables or at meetings in Afro-American communities. The price should not be a barrier, however, to getting this newsletter into the hands of anyone who is interested in Afro-Americans for Halstead and Boutelle. It can be given to interested people who come around campaign headquarters, or it can be inserted into copies of The Militant sold in the black communities.

Be sure to let us know the response to the Newsletter in your area and any suggestions you have for its improvement. Also, send us reports and articles on activities of Afro-Americans for Halstead and Boutelle in your area. The price for bundles of the AAHB Newsletter is 8¢ each. Small bundles of the first issue have been sent to most of the campaign committees. Use the blank below to order a bundle of the second issue, or to order more of the first issue.

The New Afro-Americans for Halstead and Boutelle brochure will also be available soon for \$1.50 per hundred. Use the coupon below to order these also.

Fraternally,

Anthony Thomas
