

START 1970 WITH

KEEP LEFT WEEKEND RALLY

Saturday & Sunday, January 10 & 11

1970 marks the 19th year of publication for the Young Socialists' official paper KEEP LEFT. With a circulation of 20,000 it is the foremost youth paper in the labour movement today. Selling at 4d for 16 three-colour pages in December it provides a lead in the fight for higher wages and better conditions for young people and against unemployment. KEEP LEFT takes a consistently principled stand against the treacherous policies of the Labour government, particularly in the fight for the victory of the Vietnamese workers and peasants against US imperialism.
